

COVID-19 PROTOCOLS & CONSENT FOR SERVICES

JFS of Greenwich has developed the following protocols for the safety of our staff and clients in our Case Management, Immigration Services, and Counseling programs. These protocols are for face-to-face services and are designed to promote safety and health and reduce the risk of exposure to COVID-19.

For In-Home/Community Visits:

- You will be screened prior to receiving service on potential COVID-19 exposure and presence of COVID-19 symptoms.
- Outdoor visits are encouraged when possible.
- JFS staff is required to wear a face mask while in your home.
- You must wear a face mask while JFS staff is in your home. JFS will provide one if needed.
- You and JFS staff must always maintain a social distance of 6 feet.

In-Office Visits

- In-person therapy will be provided to those with proof of vaccination.
- Please provide proof of vaccination to remove your mask in the office.
- Telehealth options are available to all clients regardless of vaccination.
- You must use hand sanitizer upon entry to the JFS offices.
